### • **Towing Service and Roadside Assistance**

We offer a towing service and roadside assistance Tuesday through Sunday during the open hours of the Auto Craft Shop.

## HELPFUL HINT

• Did you know that you should check your tire pressure once every

two weeks? This helps with identifying possible problems with the tires and help keep you from sitting on the side of the road.

• If you see cracks & splits in the tread of the tire, your tire is dry rot and if you have this symptom you could not only lose gas mileage, but also tire traction.
